Purpose & Acknowledgements

Accessible voting materials in voters' languages improve government transparency and support more active voter participation. In 2021, the Oregon Legislature passed the Voter Language Access Bill (HB 3021) to remove barriers to voting for those who are not fully proficient in English. The law, codified in Oregon Revised Statutes Chapter 251, centralized statewide election translation services in the Secretary of State's office and requires the Secretary of State to translate portions of state and county voters' pamphlets into Oregon's most spoken languages.

To help in this effort, the Secretary of State's [Translation Advisory Council](#) was created. The Council is made up of volunteer community members who represent the ethnic, linguistic, and cultural diversity of Oregon voters. Council members review voters' pamphlet translations before each election to make sure translations are accurate and retain the original tone and meaning in a culturally appropriate manner.

The Translation Advisory Council, translators, the Oregon Secretary of State's Election Division, and county bilingual elections staff collaborated to adapt the [U.S. Election Assistance Commission](#)'s multilingual Glossary of Key Election Terminology to Oregon's elections terminology and procedures. Translated glossaries for each language of translation provide consistency across all translated materials regardless of the translator.

The Oregon Secretary of State asks contractors, vendors, county elections officials, and Council reviewers to use this Oregon Secretary of State Translated Glossary of Elections Terminology and the accompanying Oregon Secretary of State Style Guide when providing translated elections materials.

The Secretary thanks and acknowledges the [U.S. Election Assistance Commission](#) for providing their invaluable resources, the Multnomah County Elections Office for their mentorship and sharing their [Multnomah County Elections Definitions](#), the [Los Angeles County translated Elections Glossaries](#), and collaboration with the staff at King County, WA Elections Office for sharing their translated Elections Glossaries. The Oregon Secretary of State translated glossary will serve as an invaluable resource for translators and reviewers of translations and ensure uniformity across the state.
